2027 Breeding Contract for OFFERS ARE CHEAP

Standing at: Ridgeline Veterinary Clinic
7509 South Sixth St., Klamath Falls, OR 97603 541-882-4556

I hereby agree on (date) _____ to breed the mare _____,
registration # _____ to **Offers Are Cheap** (reg. #5559762), for the 2027 breeding season.

I understand the breeding fee for 2027 is $1,000. The balance of $1,000 shall be payable a minimum of fifteen (15) days before breeding. Breeding fee is payable to Chris Darger.

___ I plan to use cooled shipped semen. There will be a charge of $400 per shipment for cooled semen. I understand that the FedEx Priority Overnight expense is included in this fee. I also understand that I am responsible for returning the shipping container right away at the most economical shipping rate and that I am responsible for this expense. Shipped semen fees are to be paid directly to Ridgeline Veterinary Clinic.

Collection and shipping days are Monday, Wednesday and Friday (other days possible upon request). Semen will be sent FedEx Priority Overnight. Request for cooled transported semen must be made 24 hours prior to shipping time if at all possible.

___ Call Ridgeline Veterinary Clinic to place the order. Cancellation must be made the morning of the shipment by 8:30am by calling Ridgeline Veterinary Clinic. 541-882-4556

___ I intend to take my mare to Ridgeline Veterinary Clinic in Klamath Falls and understand in addition to the mare related expenses I am responsible for the chute fee in the amount of $250.

A LIVE FOAL GUARANTEE will only apply as follows:

A) A live foal is described as a new born foal which stands and nurses without assistance. Should the mare not produce a live foal from this breeding, a rebreed will be honored the following year with a rebreed service charge of $250. Chris Darger may require the rebreeding to be performed at the stallion station rather than through cooled semen.

B) For mares that DO NOT CONCEIVE using cooled semen, a rebreed will be honored the following breeding season with a rebreed. Chris Darger may require the rebreed to be performed at the stallion station rather than through cooled semen. Ridgeline Veterinary Clinic agrees to ship cooled semen as described above. If a mare fails to settle for any reason, the mare owner will hold Chris Darger and Ridgeline Veterinary Clinic harmless.

A "Breeder's Certificate" will be issued when the stallion owner has been notified that a live foal has been produced and all stallion fees and other expenses have been paid in full.

This contract shall be binding upon the parties hereto, upon execution hereof, and the same may not be altered, transferred to another party or amended, except by written mutual consent of the parties hereto. In addition it is understood there are no refunds of the breeding fees, shipping fees, etc.
